Dear Paul

At committee our treasurer happily reported the receipt of sponsorship moneys for 2018 and I was asked to write to you personally to convey our wholehearted thanks.

The impact across the club has been a wonder to behold with praise for the new gear fulsome and widespread. All teams are catered for so even junior sides are able to share in the results of your generous benefaction. There is a special feeling about being associated with Kent's leading football club in a county not exactly overburdened with sporting facilities. Your well known enthusiasm for sport is very much appreciated locally and we are grateful that we are able to benefit directly from establishing this connection with you. We hope that we can justify the faith you have shown in us by continuing to develop as an inclusive club for the youth and enthusiasts of the area.

Thanks again for your very kind and generous actions.

Yours sincerely

Tom Robertson – Hon Secretary
