FROM THE CHAIRMAN

“ ... EVERY ADULT SEAT INSIDE THE STADIUM WILL ENJOY UP TO A 20% DECREASE FROM 2018/19 PRICES WITH ALL RAINHAM END ADULT PRICES JUST £300! ... ”

DEAR FELLOW SUPPORTERS

I would like to take this opportunity to thank all season ticket holders for their continued support. The players, staff and I all really appreciate it when you get behind us!

This season we have had many highlights to celebrate, not least of which the 1-0 win over Cardiff City in the third round of the FA Cup here at Priestfield which attracted a fabulous crowd! The noise created when Elliott List's shot struck the back of the net was incredible! I want to try and recreate that atmosphere for every home game. I want Priestfield to become a fortress again!

When Priestfield is buzzing it makes a huge difference. As a club we want to re-engage with fans who no longer attend. We want to reward our loyal supporters and make the environment more family friendly; we want to find our fans of the future! **#PackPriestfield #FansoftheFuture.**

With the above in mind, several meetings were held behind the scenes to formalise a strategy to help pack Priestfield. We formed a 'Think Tank committee' which was made up of people from the terraces of various ages including season ticket holders, students, club staff, directors, parents and other stakeholders. I would like to thank all members of the Think Tank for devoting their time, they care passionately about the club and collectively they have made some fantastic points and suggestions. They spoke, and we have listened.

Whilst other initiatives will be rolled out as the start of the 2019/20 season approaches (including a 'VIP Summer Family Sports Day' for those who hold season tickets at the 1 June), the headline news is a significant price drop. Every adult seat inside the stadium will enjoy

up to a 20% decrease from 2018/19 prices with all Rainham End adult prices just £300! This is a ten-year low and fantastic value for money. It is a 20% reduction on adult prices from this season and we want the Rainham End to continue to be the pulse of the support. That is by no means suggesting other stands do not back the team as much, but when the Rainham End is bouncing everybody else is.

Fan support undoubtedly helps the players to perform when taking to the pitch. Against Burton, Portsmouth and Cardiff City this season we had three excellent attendances and gained superb results. It is no coincidence that when fans get going here, there is no other place quite like it. I'd love to return to the glory days where 7-8,000 were attending every game and giving it their all from the terraces.

The price reduction is a significant move on the Club's behalf. We hope that all those who care about this great Football Club appreciate what we are doing and take up the opportunity to follow the team on a regular basis.

Please note that our early bird offer runs until **5pm on April 30**. These special prices are available to **all**. After 30 April, prices will increase.

Current season ticket holders obviously have first choice on retaining their seats, however, after 1 June, any seats not claimed will be offered to new applications.

New applications (ie not current season ticket holders) can take advantage of the early bird pricing but must state the stand and block they want to sit in, and if they have a preferred seat that should be included too. After 1 June we will endeavour to give them their preferred seat or the next best available. Alternatively,

applicants can visit the club after 1 June and select an available seat.

This is the year we will work hard to find our fans. The future of this club is based on its support. To that end, and by popular request, we will be refurbishing our family enclosure during the close season. That will make the area look more child and family friendly with activities to suit our fans of the future. I hope a lot of supporters are very excited by this news.

I should add that the new pricing is open to all, not just current season ticket holders, however, current season ticket holders have until 31 May 2019 to renew their season tickets, after which their tickets will be released.

At this club we focus on the positives; we must look forward and the aim next season, as in all seasons, is to mount a successful promotion push. On many occasions this season we have gone toe to toe with the best teams in the division and shown we have quality in our team. If we can produce this on a more regular basis I can't see any reason why we shouldn't be able to target a top six finish, and with you, our 12th man, behind us I truly believe it can be done.

I hope you will be excited with our season ticket strategy and I look forward to welcoming as many people as possible to Priestfield in August.

Up the Gills!
